FALL PREVIEW | DANCE

SEASON HIGHLIGHTS

Cathy Weis

Choreographer Cathy Weis's multimedia work is marked by humor and purposely rough edges; in *Electric Haiku*, featuring dancer Scott Heron, she uses animation, text and projected images to create a selection of short, Japanese-inspired visual poems. The program also includes *One Box*, a duet featuring Weis and Lisa Nelson, and two 13-inch television monitors. *Dance Theater Workshop*, Nov 21–Dec 1; \$32, \$20.
